

# Soledad High School

## Vision

The vision of Soledad High School is to be the highest rated secondary institution in Monterey County.

## Mission

The mission of Soledad High School is to develop confident, competent, compassionate leaders.

### Goal I – Increased Graduation Rate

- Host a College Day for students to highlight local colleges.
- Host a Career Day focused upon trades and technical colleges.
- Hold an 8<sup>th</sup> Grade Student Orientation focused on smoothing the transition from middle school to high school.
- In the Spring, host an 8<sup>th</sup> Grade Parent Night that welcomes new parents and explains the Soledad High School programs available.
- Provide a summer Bridge Program for incoming freshmen students to prepare them to begin their high school careers.
- Train a group of students to participate in the Link Crew program as mentors to incoming freshmen.
- Provide college trips to Hartnell College, CSUMB, and UCSC to allow students to see all three levels of public post-secondary education available.

### Goal II – Proficiency for All

- Provide tutoring support to students outside the confines of the traditional school day.
- Provide students access to college and career preparation curriculum through the Get Focused/Stay Focused program.
- Provide supplemental materials and supplies for core content classes.

### Goal III – School Safety

- Sustain the PBIS program to promote and maintain student attendance and positive student behaviors.
- Implement a restorative justice (RJ) program at Soledad High School to allow students to participate in RJ practices when involved in behavioral incidents at SHS.
- Purchase supplies to increase safety within the classroom and on the site as a whole.

### Goal IV – Community and Family Engagement

- Provide coach stipends for student activities & music supplies to support music programs for K-12.
- Improve communication with parent groups (such as ELAC, & School Site Council) in home language.
- Increase translation services available for Parent Conferences.
- Provide training opportunities for parents to participate in to make them equal partners in their children's education.

### Goal V – Recruit and Retain High-Quality Staff

- Each semester, hold a celebration of success meeting recognizing staff for the effective work completed.
- Establish professional reading circles to support teachers.
- Provide mentorship opportunities to support new teachers.

### Goal VI – Provide Resources for English Learners and Other Students that Require Additional Support

- Purchase supplemental curricular materials to provide our EL students with rigorous grade level appropriate curriculum.
