I had the pleasure of attending SCORE Coalition at the new Soledad Camphora Affordable Housing! 32 out of the 46 Camphora residents returned to the new complex. The other families moved on to purchase their own home!

The complex has a basketball court, soccer field, two gardens, computer lab and much more!

Power to Change will now be called Champions of Change. We want our participants to celebrate every stride they make in their lives!

Assisting WASC team with various projects as Soledad High gets ready for WASC visit in April. I am currently working with Ms. Austin in developing the agenda for the week!

Parent WASC Focus group is committed to being part of our WASC visit!

Sunrise House started serving Main Street and Pinnacles. The facilitator is doing a great job in building the rapport with the youth at both sites!

Ms. Salisbury and I are working together in identifying with counselors and support staff students that can benefit from a support group she plans to start after we get back from break.

Strengthening Families by Partners for Peace started at Soledad High April 7th 2016 at 5:30 p.m. at the Mission Room.

Walk In Our Shoes is a school-based performance for 9-13 year-olds. This performance is part of the overall stigma reduction efforts funded by our county and administered by CalMHSA, and is aimed at preventing early development of stigma in youth.
