OLEIDAD HIGH SCHOOL

"Home of the Aztecs"

KUDOS– To our girls Soccer team for their win this past Wednesday against Summit-Rainier Charter (San Jose)

KUDOS– To Ms. Word and our FFA member's who helped make the farm tours a success.

SHS NEWS

Come out on Saturday and support our Lady Aztecs as they play against Sacred Heart Preparatory (Atherton)

AVID News by Mr. Narez

The AVID site team is excited to announce that we will be having three tutors come in and assist our AVID students in any academic needs they have. The tutors will be on campus Mondays, and Wednesdays from 8:00a.m. to 11:20 a.m., and Thursdays from 8:00a.m. to 9:14 a.m. in the AVID classrooms.

Our Freshman AVID students are working on preparation for AVID tutorials. They participated in jigsaw activities in small groups, watched AVID on demand tutorial videos of demo schools, took Cornell notes and collaborated in pairs to compare their notes and fill in any gaps where they might have missed information.

The Junior AVID class is starting to study for both the AP and SAT exams. The students have been introduced to different speakers to help them decide which career path they should go into. Finally, the Senior AVID students are researching/applying to a variety of scholarships. Our 32 seniors submitted over 120 college applications. All 32 have completed the FASFA, and we are currently in the process of securing scholarships

This year, we are preparing for our first annual AVID field trip to multiple colleges. The students will have a chance to see what college is all about, including classes that they might attend as well as school surroundings. We will also be starting an AVID club for those students who did not receive the initial opportunity to be part of AVID. The club will support students in their academic achievement.

In other News

Students in Ms. Stading's class are working on the stage design and props for the Spring play Macbeth.

Our dental students have been committed in generating a Dental Community Service Project. Students have been able to reach out to our elementary schools, Main Street Middle School, Soledad High School and our local Boys Scout troop #370. Students focused teaching others about oral hygiene, prevention of tooth decay, nutrition as well as the importance of dental examinations.

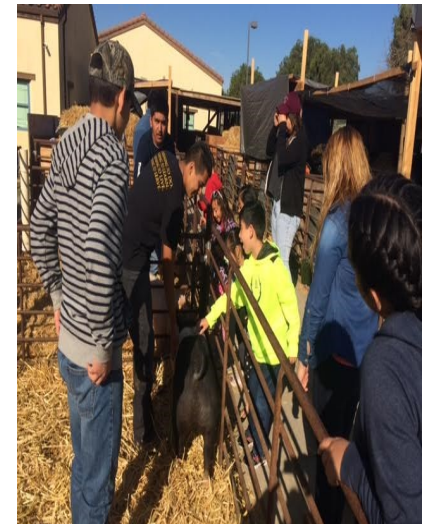

QUOTE OF THE WEEK :

"When you get into a tight place and everything goes against you, 'till it seems as though you could not hold on a moment longer, never give up then, as that is just the place and time when the tide will turn."

- Harriet Beecher Stowe

This week was National FFA Week, and approximately 600,000 FFA members celebrated the organization and promoted agriculture awareness. Soledad FFA Farm Tours gave our students the opportunity to share their knowledge learned in their agriculture classrooms with elementary students across our district. Thank you to all teachers and staff for their continued support of the students in their pursuit of premier leadership, personal growth and career success. Go FFA !

Monica Santibanez Soledad High School Liaison

Gilbert Ramos Family Student Support Liaison

Check out what is happening in the Family and Student Support Liaisons corner at SHS:

This week the liaisons will:

- * Finalize Reclassifications for February
- * Continue working on the follow-up forms for those students that have been previously reclassified
- * Help facilitate Parent WASC Focus groups
- * Will attend the FSSC meeting on Friday, March 4
- * Facilitate Initial CELDT test to new comer(s)
- * Continue speaking and meeting with both parents and students regarding: resources available within the community, grades, concerns, etc.

Gilbert continues to be a great asset at SHS. His involvements in the power to change after school on Wednesdays, where the students have started to make him feel as if he was one of them, demonstrates the dedication he has devoted to the students.

Aidee Aldaco, District Wide Intervention Coordinator

Week of February 29th-March 4th 2016

- * Power to Change continues to support student on campus! The group currently has 10 students that stay after school. We have three spaces available. If you know of a student who can benefit, please contact me.
- * YWCA of Monterey County's Y.E.A group had a great success with Teen Dating Violence Awareness Month. Thank you Mr. Maturino for your support! The next step for the YEA Group will be to create a community project to bring awareness on violence, stay tuned!

- * On Monday February 29th, I will be supporting Gabilan Elementary with California Mobile Dental.
- * During the month of March, I will continue to work with Admin in conducting the Parent WASC Focus Group every Thursday, as we get closer to our WASC Visit. Thank you teachers for your support, parents love visiting the classrooms!
- * The WASC Visit is soon approaching; I am working closely with Admin to get things ready for the big week.
