KUDOS- To Skills USA for being the first to turn in WASC work to Ms. Adams.

KUDOS- To George, Gabriel, Christian, and Alfonso, for always helping office staff whenever we call them.

SHS NEWS

Congratulations Soledad High School!!!

Our work since 2013 is proving highly successful

The College Board shared the exciting news that we have earned a position on the 6th Annual AP District Honor Roll!

The annual AP District Honor Roll recognizes districts for increasing access to Advanced Placement course work while maintaining or increasing the percentage of students earning scores of 3 or higher on AP Exams.

Honor Roll Districts defy the expectation that expanding access automatically results in a decline in the percentage of exams earning scores of 3 or better.

Reaching these goals indicates that your school is successfully identifying motivated, academically prepared students who are likely to benefit from rigorous AP course work.

Soledad High School teachers, counselors, students, parents, staff, and administration work to assure all students achieve at the very highest levels.

Cal Poly has recognized Soledad High School for Consistency and Continuity in Staff and Administration

For the first time Soledad Unified School district has met the consistency and continuity criteria for having student teachers from Cal Poly. We currently have a student teacher in the agriculture academy. Let's continue to keep the brightest and best educators at Soledad High School for our students. In doing so we will be able to train future teachers at Soledad High School.

QUOTE OF THE WEEK :

"I have not failed. I've just found 10,000 ways that won't work"

- Thomas A. Edison

Aidee Aldaco, District Wide Intervention Coordinator
