## SHS NEWS

### Parent Teacher Conferences

Being involved in your child's life at school is important. This Thursday we had our annual parent conferences. All teachers were gathered in the multi-purpose room and parents had the opportunity to speak individually with each of their child's teachers to explain the outcome of their grade, and what they could expect during the year, as well as ask questions regarding the classes, and their student's progress. This year we had approximately 300 parents in attendance. Thank you for partnering with the school to assure your student is college and career ready upon graduation. In addition, thank you to all staff, especially office staff and Ms. Stading and Ms. Mabon for the art exhibit making parent teacher conferences a brilliant success.

### School Site Council

This Wednesday, October 28, our School site council reviewed the single plan for student achievement to make progress in all goals we strive to achieve. We reviewed the budget and updated attendees regarding our WASC accreditation. Our self-study is in progress and we look forward to the WASC committee's visit in April, 2016.

# In Other News

**Dental Careers:** Students have acquired knowledge in the various members of a dental healthcare team along with the different specialties and terminology. Students created a "fun" hands on project to demonstrate their learning.

## Dia De Los Muertos Altar made by Club Azteca.

Dia De Los Muertos is an annual celebration which celebrates death as a part of the human experience and honors the spirits of the dead. The holiday is observed on November 1st and 2nd in Mexico, parts of the United States, and in many countries in Central and South America.
