KUDOS

On Saturday December 3, the French Club went to Lusseau Parker French Cafe in Monterey where they learned about the French Culture, the art of spreading chocolate, forming and baking croissants. Upon our departure, Monsieur Lusseau gave us all a box full of French pastries. Yum!

Pictures Jessica, Belen, and Samantha listen intently as Monsieur Lusseau explains and models the skillful art of spreading and writing with chocolate.

Winter Break December 16th – January 4, 2017

January 5th and 6th Teacher Staff Development Days

January 9th Students Return

Counselor Corner

The deadline for college applications was November 31st. The counseling department, ETS and Upward Bound did a great job working and accommodating the seniors so that they could submit before the deadline. Work on the Master Schedule has begun. The Counseling department will be very busy in January. The plan is to have students declare a pathway, and then chose and enter classes into Aeries by the end of January. The English and Math departments have been administering the NWEA the last two weeks. Thanks to their hard work and help the NWEA has only a few glitches.

Associated Student Body Updates

- Any students interested in helping with the Cops Giving Tree on December 14, 15, or 16, can now sign-up with Mr. Graham in room 403.
- Seniors: Representatives will be on campus for one final make-up day to collect orders for caps and gowns, graduation announcements and class rings on December 13th. They will be here during lunch at the Amphitheater. You will need to bring your completed order form and either check, money order, cash or credit card for payment.
