**“From the moment students enter a school, the most important factor in their success is not the color of their skin or the income of their parents. It’s the person standing at the front of the classroom” - President Barack Obama**

**With that in mind we would like to thank all of the outstanding teachers we have here at Soledad High School. All of your work is greatly appreciated!**

## SHS NEWS

### AVID Parent Meeting

The AVID site team at Soledad High School had its first AVID parent meeting where they informed families about the AVID program and how it could benefit our students. There were two sections of information, one was done in English with the help of Mr. Herrera, Mrs. Moreno and Ms. Pantoja. The other section was done in Spanish with the help of Mr. Cuevas, Mr. Narez and Mr. Jesus Garcia.
