

**Friday, November 18th**

**BE PROUD ! BE RESPONSIBLE !**

**KUDOS**

To Esteban who helps out in the front office with parents when it gets busy.

To Horacio and Alfonso for cleaning out our storage Room.

**Wishing everyone  
a joyous  
Thanksgiving**

- Alex

Student will be able to have the opportunity to participate in an exciting and fun program to help youth learn about their health. Students sign up during lunch with Ms. Santibanez our Family Student Liaison in room 707. The purpose of this program is to help youth behave in ways that will support good health and protect them from unwanted pregnancy or developing serious health programs like sexually transmitted diseases, including HIV/AIDS. We have mailed out a permission slip for parents to sign if their student is interested in participating.

**College and Career Readiness**

Is the primary focus at Soledad High School. One point that is worth remembering, is that there is no one path that is right for all students. For this reason, Soledad High School has worked to develop a variety of programs and pathways to allow each student to determine what is right for them. Some of our students will choose to serve in the armed forces after graduating high school. Others may want to enroll into a four-year university, while some will attend a Community College. A few students will enter the full-time workforce straight out of high school. It is our job to ensure that all of our students are provided the skills, the training, and the opportunity to pursue their own goals in a post-secondary world.

**Sport News**

**By: Mrs. Kuchta**
